DEQ's comments on EPA's draft approval ltr.docx DEQ's thoughts on SW Calc method.doc

Kristine asked DEQ to weigh in on a couple of issues relating to her draft approval memo. Here are our thoughts. I've also attached our comment letter from a month ago since it is referenced in the other document.

Karen

Subject: Draft Approval Letter for Stormwater Loading  
Calculation  
Methods

Carl - Here is the draft approval letter for the Stormwater Loading Calculation Methods. Please review to ensure that the LWG agrees with all the comments and I will send out final. If the LWG has any issues and would like to speak with me about them, I would be happy to discuss any changes.
